

Renewed & Enhanced

# ESTCON 2022

WORLD ENGINEERING, SCIENCE & TECHNOLOGY CONGRESS

**FUTURE ENERGY & SMART COMMUNITIES**

BORNEO CONVENTION CENTRE KUCHING (BCCK), SARAWAK | 1-2 DEC 2022

Organised by

UNIVERSITI  
TEKNOLOGI  
PETRONAS

## ABOUT THE ORGANISER

Universiti Teknologi PETRONAS (UTP) was established on 10 January 1997 and is a leading private university in Malaysia. The campus is built on a 400 hectare (1,000 acres) site strategically located at Bandar Seri Iskandar, Perak Darul Ridzuan, Malaysia. The university is a wholly-owned subsidiary of PETRONAS, the national oil and gas company of Malaysia.

UTP offers a wide range of industry-relevant engineering, science and technology programmes at undergraduate and postgraduate levels. It aims to produce well-rounded graduates with excellent leadership qualities and communication abilities.

The university conducts extensive research activities in collaboration with PETRONAS and other institutions and industries, locally and a broad, on six research focus and niche areas. They are self-sustainable building, transport infrastructure, health analytics, hydrocarbon recovery, contaminant management and autonomous system.

UTP has produced more than 22,000 graduates. It currently has an enrolment of above 800 foundation students, more than 4,000 undergraduates and over 1,000 postgraduates from more than 50 countries around the world.

## ABOUT THE CONGRESS

The World Engineering, Science and Technology Congress (ESTCON 2022) is a biennial Congress organised by Universiti Teknologi PETRONAS (UTP). The Congress is an excellent centre stage for knowledge sharing, intellectual discussions and also networking on various areas of interest; for all academics, researchers, scientists, engineers, interest groups and industry experts from all around the world.

Now in its seventh edition, the Congress is renewed and enhanced to delve deeper into Future Energy and Smart Communities. As new energy system emerges, these fields will provide the impetus to pursue more climate-friendly solutions and opportunities in the broader energy space that will create sustainable new values for the world. ESTCON will give deep insights and strengthen the momentum of climate actions to ensure that we remain resilient for the future.

The Congress aligns with who UTP has become after 25 years of growth and is in tandem with UTP's objectives and goals. Through ESTCON, the University hopes to open up new frontiers, pioneer research, create new technology, and introduce innovative solutions and methods for industry and the public at large, and to enable sustainable development that will bring mutual benefits for the environment, economy and society. Include all conference's logo

## ABOUT THE VENUE

Borneo Convention Centre Kuching, the unique convention centre is located at Kuching, Sarawak. A space created among the tranquility of the tropical rainforest where any distractions that will take focus away from simply being innovative are kept at a distance but yet still easily accessible. The Congress will be at the heart of Sarawak with numerous sights to see and attractions to explore nearby and fully experience the various cultures that is in Sarawak.

## ESTCON2022 CO-ORGANISER OPPORTUNITIES

1

Raise your company/organisation profile with important target markets of ESTCON2022.

2

Network with more than 600 delegates from all over the world expected to join ESTCON2022, ranging from industry experts, academics, researchers, scientists, engineers as well as interest groups

3

Highlight your company/organisation, product or service and mutually benefit from this partnership.

### CONFERENCE CO-ORGANISER PACKAGE
